Resolution on Four Points

Resolution Moved By: Er. Punchok Tashi (Executive Councillor, LAHDC Kargil)

Resolution Seconded By:

Syed Abass Razvi, Councillor, 05 – Tai Suru Constituency, LAHDC Kargil

Point No 1: Grant of Statehood for Ladakh

After the re-organisation of the state of J&K, there has been a greater resentment among the general masses of Ladakh regarding the representation of the public in the Government. It has further given rise to apprehensions among the public with regards to safeguard of land, job, culture and ecology etc.

Further, with federalism being a very important feature of the Indian Democracy, the general public of Ladakh have great faith in the federal representative form of government and therefore there is need of providing full-fledged statehood to Ladakh UT keeping in view of its strategic importance, unique culture, population, and importance & feasibility of granting of statehood.

Point No 2: Protection under the 6th Schedule of the Indian Constitution

The 6th Schedule of the Indian Constitution guarantees necessary provisions for protection of tribal areas as it has special provisions for the administration of tribal areas. Ladakh is a predominantly tribal area with its own unique socio-cultural practices. The Hon'ble Chairman, National Commission for Schedule Tribes, on 11th September 2019 during the 119th meeting of the NCST. have very kindly recommended to the Union Home Ministry & the Union Tribal Affairs Ministry to declare Ladakh as a Tribal area under the 6th Schedule of the Indian constitution.

Further, in view of the revocation of the Articl 370 & 35-A of the Constitution of India the protections provided by these articles, regarding land, culture, jobs, and ecology is no more there. And hence, it has been unanimously agreed across all strata of Ladakh that only the 6th Schedule can ensure due protection of the land, jobs, culture & ecology of Ladakh.

Point No 3: Separate Lok Sabha seats for Kargil & Leh Districts

Currently, there is only one Lok Sabha seat that represents the entire population of Ladakh in the Indian Parliament. Before the re-organisation of the erstwhile state of J&K, Ladakh had public representatives in the form of four (04) MLAs & four (02) MLCs in the Legislature of the erstwhile state of J&K. However, with the re-organisation of the state, the only public representative is the sole Member of Parliament.

Elections to the Member of Parliament often creates rift between the peaceful Ladakhi populace as it pits the people of Kargil against the people of Leh due to the sole seat of MP. Internal division and rift among the local populace of this strategic location may also prove detrimental to

CamScanner

the national security. Communal harmony in such a sensitive region becomes of paramount importance, where India faces two warring and belligerent neighbours.

Therefore, the LAHDC Kargil requests the Government of India for granting two separate seats of Lok Sabha for Ladakh region, one each for Kargil & Leh districts.

Further, there must be representation of the people of Ladakh in the Rajya Sabha which must be materialised by grant of one Rajya Sabha Seat for Ladakh UT.

Point No 4: Establishment of "Ladakh Public Service Commission" with the Ladakh Resident Certificate as a mandatory requirement for all recruitments for Gazetted Posts in UT Ladakh.

The Re-organisation Act of 2019, Part XIII, 93 (2) mandates that the UPSC shall serve the needs of the Union Territory of Ladakh. It is a known fact that the educational scenario of Ladakh is still in its infancy and, therefore, the students of Ladakh are not at par with candidates from the rest of country. Therefore, there is a great resentment among the youth that the lack of "level-playing field" would deprive them of their due opportunity.

Furthermore, all gazetted posts of UT Ladakh must be reserved exclusively for the residents of Ladakh by making the Ladakh Resident Certificate a mandatory requirement for recruitment of all gazetted posts.

Through this resolution, the house resolves that a request be made to the Government of India by LAHDC Kargil highlighting the aspirations of the general public of Kargil Ladakh for:

1. **Grant of Statehood for Ladakh**
2. **Protection for Ladakh under the 6th Schedule of the Indian Constitution**
3. **Separate Lok Sabha seats for Kargil & Leh Districts**
4. **Establishment of "Ladakh Public Service Commission" with the Ladakh Resident Certificate as a mandatory requirement for all recruitments for Gazetted Posts in UT Ladakh.**

LADAKH AUTONOMOUS HILL DEVELOPMENT COUNCIL KARGIL
UNION TERRITORY OF LADAKH

RESOLUTION

The members of the 4th LAHDC Kargil brings it on the notice of the Chairman that the disparity between the salaries and allowances of the Hon'ble Executive Councilors and the Hon'ble Councilors is huge.

All elected members of the LAHDC, whether they hold an executive post or nor must be paid with equal salaries and allowances with sumptuary allowances extra for the Hon'ble Executive Councilors. Presently, the Hon'ble Executive Councilors are paid and amount of Rs, 1,60,000/- per month and the Hon'ble Councilors are paid Rs,60,000/- per month only.

As, it is mentioned in section 21 of the LAHDC Act. "Allowances of members" – Every member shall be entitled to such allowances as the Council may with the approval of the government determine, the members unanimously demand for allowances for the Councilors as proposed below.

1. **Basic Pay:**
   Rs, 60,000/- per month payable during the whole term of office as Member, LAHDC, Kargil

2. **Constituency Allowance:**
   Rs, 60,000/- per month payable during the whole term of office as Member, LAHDC, Kargil

3. **Office Expense Allowance:**
   Rs, 10,000/- per month payable for monitoring expenses on stationery items, postage, printing and other office expenses during the whole term of office as Member, LAHDC, Kargil.

4. Telephone Allowance:
   Rs, 10,000/- per month including charges for talk time, data, broadband connection etc.

5. Medical Allowance:
   Rs, 10,000/- per month payable for health expenses of the Members and their family during the whole term of the office as Member, LAHDC, Kargil.

   TOTAL RS, 1,50,000/- per month.

6. **Sitting Fees:** Rs, 2,000/- per meeting
   TA/DA at par with Class-I Officer.

It is a well established norm in the case of all elected MPs & MLAs to get equal salary with sumptuary allowance extra for those appointed as Ministers.

On similar lines, we the Members of the 4th LAHDC, Kargil propose the resolution with the demand to increase the salary and allowances of the Hon'ble Councilors as proposed above.

RESOLUTION

The Hon'ble Lieutenant Governor,
Union Territory of Ladakh

Through:
The Chief Secretary,
Union Territory of Ladakh

Subject: **Curtailment of ₹90 Crore from Capex Budget – Demand for Restoration.**

Respected Sir,

With due respect, we, the elected representatives of the Ladakh Autonomous Hill Development Councils (LAHDC) Kargil, express our strong objection to the recent curtailment of ₹90 crore from the Capital Expenditure (Capex) budget. This decision marks a significant reversal of the trend followed since the establishment of LAHDCs, where an annual increment of 10% in the budget was a norm. Such a drastic cut undermines not only the functioning of LAHDCs but also the developmental aspirations of the people of Ladakh.

We wish to highlight the following key points:

1. **Capex Budget's Direct Impact on People:**
   The Capex budget is fundamentally different from the Special Development Package (SDP) or other schemes, as it reaches directly to the people. Historically, more than 95% of Capex funds are utilized annually, ensuring tangible developmental progress, whereas expenditure in SDP/state sector schemes stands at around 60%. A reduction in Capex will severely impact essential infrastructure projects and local development.
2. **Respect for Public Institutions:**
   The LAHDCs were established to empower local governance and decentralized decision-making. Curtailing funds without consultation reflects a disregard for these democratic institutions and their role in serving the public. The UT administration must uphold and respect the autonomy of LAHDCs as enshrined in the LAHDC Act.
3. **Non-Participation in Budget Meetings:**
   In protest against this unilateral budget cut, we resolve not to participate in the annual budget meeting. If the administration chooses to disregard our demand for restoration and enhancement of Capex budget, we will not be part of the budgeting process.

CamScanner

4. Public Mobilization:

If the Capex budget is not restored to its rightful allocation, we will be compelled to take this matter to the public and launch a democratic protest to safeguard the rights and developmental interests of the people of Ladakh.

In light of the above, we urge you to reconsider this decision and restore the deducted ₹90 crore in the interest of equitable development and democratic governance in Ladakh.

We hope for your immediate intervention in this matter.

Councilors LAHDC Kargil.

THE ADMINISTRATION OF UNION TERRITORY OF LADAKH
LADAKH AUTONOMOUS HILL DEVELOPMENT COUNCIL KARGIL
OFFICE OF THE CHAIRMAN / CHIEF EXECUTIVE COUNCILOR

RESOLUTION

Subject: Unanimous recommendations of LAHDC Kargil to the Administration of UT Ladakh on important service and policy matters in Ladakh.

Preamble:

A meeting of the Ladakh Autonomous Hill Development Council (LAHDC), Kargil, was held on October 10, 2024 chaired by the Hon'ble Chairman/Chief Executive Councillor, LAHDC Kargil. The meeting was attended by Hon'ble Executive Councillors, Hon'ble Member of Parliament Ladakh (Ex-officio member of LAHDC) and all Hon'ble Councilors, and the key issues regarding public services, recruitment, and local employment and measures to safeguard the interests of Ladakh and its inhabitants were discussed in detail.

The Council, after thorough deliberation, unanimously resolved to recommend the following measures to the Administration of UT Ladakh.

Resolutions:

1. **Separate Ladakh Services Cadre and Cadre Management by JKPSC:**

The LAHDC Kargil strongly recommends the creation of a Separate Ladakh Services Cadre to ensure adequate representation of Ladakhis in administrative roles. However, until the formation of a separate Public Service Commission for Ladakh, the Council suggests that the current cadre management for the gazetted posts should remain under the Jammu & Kashmir Public Service Commission (JKPSC) on the lines of dispensation adopted for the High Court of Jammu, Kashmir and Ladakh. Furthermore, the LAHDC, Kargil, strongly urges that the UT Administration should not consider or decide on the inclusion of Ladakh in the Delhi, Andaman and Nicobar Islands Civil Services (DANICS) cadre, as this would undermine the unique requirements and aspirations of the people of Ladakh given the fact that due to geographical constraints and limited opportunities, the aspirants are unable to compete with the people residing in other areas included in DANICS cadre. The separate Ladakh cadre is necessary for addressing local governance needs effectively as also included in the agenda of meeting of representatives of Ladakh with the High Powered Committee (HPC) in Ministry of Home Affairs, Govt. of India.

2. **Adoption of the Sikkim Model of Reservation for Gazetted Posts:**

The Council calls for the adoption of the Sikkim Model of Reservation, which reserves gazetted posts for permanent residents of Ladakh. This measure will protect local employment opportunities and safeguarding interest of people of Ladakh, ensuring that Ladakhi residents are adequately represented in senior government roles. It will also help preserve Ladakh's cultural and demographic identity while empowering the local youth to take leadership roles within the region.

CamScanner

3. **Relaxation of Upper Age Limit for Recruitment In UT Ladakh:**

Given the lack of recruitment in Government employment in Ladakh since the creation of the Union Territory, the Council recommends that the UT Administration should provide a relaxation in the upper age limit for all government posts. This relaxation is crucial to ensure that aspirants who have been unable to apply for jobs in the past five years are not unfairly excluded from future recruitment opportunities.

Conclusion:

The LAHDC, Kargil, unanimously endorses these resolutions, recognizing them as necessary steps to protect the interests of Ladakh's residents in terms of employment and governance. The Council strongly urges the Administration of UT Ladakh to act on these recommendations promptly, ensuring a fair and inclusive approach to public service recruitment and cadre management.

This resolution is submitted to the Administration of UT Ladakh for immediate consideration and action.

Passed unanimously on 10.10.2024 duly signed by all the members as per the listed enclosed.

No: LAHDC-K/29/ 9217
Dated: 27: 03 : 2025

Subject: Curtailment of Rs. 90 Crore from Capital Expenditure (Capex) Budget.

I would like to bring to your kind attention that the elected representatives of the LAHDC Kargil have recently passed a resolution expressing their strong objection and deep resentment over the curtailment of Rs. 90 crores from the Capital Expenditure (Capex) budget allocation (copy of resolution enclosed for ready reference). The resolution has been endorsed by the majority of full House, and the concern raised is of utmost importance to the welfare and development of the Kargil district.

This substantial reduction in the budget is perceived to have significant adverse impacts on the development plans and essential infrastructure projects in the district. The elected representatives, who represent the aspirations and needs of the people of Kargil, have raised serious concerns regarding this decision, which they feel undermines the development priorities of the region.

In light of the above, I, as the Chairman/ Chief Executive Councillor of LAHDC Kargil, respectfully request your esteemed office to look into this matter urgently and take necessary steps to resolve the grievances raised by the Council. I believe that restoring the allocated funds or finding an alternative solution will ensure the successful implementation of the vital development projects in Kargil.

I trust that you will give this matter the necessary attention it deserves and take prompt action to address the concerns of the LAHDC Kargil.

RESOLUTION

Today, on 19th September 2024, a meeting of the Executive Councilors and Hon'ble Councilors of LAHDC Kargil was conducted under the leadership of the Hon'ble Chairman/CEC. LAHDC Kargil in council Secretariat Conference Hall. The meeting addressed important district issues and concluded with a resolution supported by all LAHDC members present, based on the following four points: -

1. Doctors' Hours: - Establish morning practice from 9:00 AM to 3:00 PM in summer and 9:30 AM to 3:30 PM in winter to give best patient care especially who come from far-flung areas of Kargil for consultation.
2. District Status: - We welcome the creation of five new districts and advocate for the inclusion of Sankoo and Shakar Chiktan sub-Divisions in this list, as Sankoo Sub Division was the most deserving area for creation of new District which has been left out.
3. Digitalization: -The digitalization of Revenue Records should be initiated only after updating records and engaging with all stakeholders, including Councilors and villagers. This resolution reflects our collective commitment to addressing the needs of our district effectively.
